Press Quotes

A very creepy auditory journey...SCREAM IN THE DARK sounds like it was intended to be put on at a Halloween party, to set the mood for a spooky evening, or maybe greet--and terrify--trick-or-treaters. It would also be a perfect soundtrack for any kind of haunted attraction. Tomaselli's work is atmospheric and very moody--a horror-movie soundtrack without the horror movie. SCREAM IN THE DARK stands as a sound investment for fans of all things macabre.

—Tyler Doupe, *Fangoria*

A cavernous haunted house where you have to listen and feel around to reach daylight...
