Trailers To Scare You Senseless

35% off

Turn down the lights, lock the door, and watch the following trailers for upcoming horror DVD releases. Start with the atmospherically creepy trailer for the 1975 classic *Wicker Man*, then check out this clip from Takashi Miike's banned-from-cable-TV *Imprint*. If you're still breathing, take a look at the trailer and behind-the-scenes feature

for the spooky *Head Trauma*. These trailers include disturbing images, so be forewarned!

Save 30% on The Blind Dead Collection

30% off

It's too creepy to be true. This restored, limited edition boxed set of horror films *Tombs of the Blind Dead*, *The Ghost Galleon*, *Return of the Evil Dead*, *Night of the Seagulls*, and *Amando De Ossorio* is available for 30% off your purchase. Order *The Blind Dead Collection* today.
